

2020

SIENNA

AT TOYOTA, WE'RE MORE THAN JUST A CAR COMPANY

WE'RE A PARTNER IN THE JOURNEY TO LIVE YOUR MOST FULFILLING LIFE.

We give you the tools you need to achieve your full potential by designing our vehicles with purpose. To be as dynamic as the life you've always envisioned yourself living.

And we don't stop at meticulously designed, quality vehicles. We're pioneering alternative fuels, improving human movement, and creating meaningful community partnerships, like the one we have with our Olympic and Paralympic athletes. These initiatives demonstrate our determination to give everyone the ability to move freely through a world with constantly evolving mobility challenges, enriching that world in the process.

Alone, just a car. Together, so much more.

THE UNEXPECTED AWAITS

READY FOR WHATEVER YOUR DAY HAS IN STORE.

Life is full of surprises. No matter how hard you try, it will always find a way to turn your plans on their head. But it's those kinds of moments that make life so much fun. So, it should come as no surprise that the 2020 Sienna was designed for the unexpected, no matter where you find it. It features a surprising degree of power, style, and space that will make any drive extraordinary. And with a full array of advanced technology and safety features, the Sienna is ready for whatever comes your way. Life is full of the unexpected. We thought the 2020 Sienna should be too.

SURPRISING FROM EVERY ANGLE

A PREMIUM EXPERIENCE INSIDE AND OUT.

Expectations - life is filled with them. And the 2020 Sienna surpasses all of them. The modern exterior features stunning contours and sleek lines that not only help improve fuel efficiency and ride comfort but also turn heads. Inside, the highly stylized interior surrounds you with sophisticated materials and exceptional accents such as soft-touch seating and available premium contrast stitching. Sienna also comes equipped with convenient tech for all three rows to keep everyone entertained, no matter how long the journey is.

ALWAYS READY

TAKE EVERYTHING EVERYWHERE.

Sienna can make the most of whatever challenges and opportunities life sends your way. Available in 7 or 8 passenger models, the easily configurable seats can be arranged and rearranged to accommodate any plans. And you'll be thankful for all of the Sienna's extra space because it boasts an impressive 4,247 litres of storage to handle everything you need to bring and more. Sienna also offers two mobility models that can be fully converted to allow for additional accessibility, through our Toyota Mobility Program.

STAY CONNECTED

TOYOTA CONNECTED SERVICES¹

This multimedia touch screen display features a host of smart technologies including available Safety Connect^{®2} and Destination Assist Connect,^{®3} which can help provide you with peace of mind and keep you connected to the people, places, and things that matter most to you.

APPLE CARPLAY™⁴

Sienna offers Apple CarPlay™ support as a standard feature. Connect your compatible iPhone® and get directions, make calls, send and receive messages, and listen to your own playlist with your voice through Siri or the touch screen – all while maintaining focus on your drive.

5 USB PORTS

The power to do more. Now everyone can stay in charge thanks to Sienna's five standard USB ports spread across all three rows of seats. With so many options, Sienna will put an end to the family power struggle.

BIRD'S-EYE-VIEW CAMERA⁵

Sienna's available Bird's-Eye-View Camera with Perimeter Scan uses front-, side- and rear-mounted cameras to display a panoramic overhead view. It helps you see more of your surroundings, so you can drive with confidence.

ANY ROAD, ANY SEASON

A white Toyota Sienna is shown from a rear three-quarter view, driving on a snowy mountain road. The car is moving away from the viewer, leaving tracks in the snow. The background features a scenic mountain landscape with evergreen trees in the foreground and snow-capped peaks in the distance under a clear sky.

THE DRIVE IS ALWAYS GREAT. EVEN WHEN THE ROADS AREN'T.

You can't have a vehicle that just looks good – it actually has to be good. That's why the 2020 Sienna is engineered with a lightweight, rigid, and aerodynamically optimized body that gives you improved ride comfort and responsive handling. It also includes a 296-hp 3.5-litre V6 direct injection engine with an 8-Speed Automatic Transmission. This powertrain delivers greater fuel efficiency and exceptional power with 263 lb.-ft. of torque. Plus, the SE raises the game with aggressive styling, a sport-tuned suspension, and sport-calibrated Electric Power Steering for a more direct steering feel.

ALL-WHEEL DRIVE

Rain, snow, ice, or sun – Sienna's available All-Wheel Drive system gives you the reassurance you need to take on the worst Canadian weather. It's designed to offer the necessary amount of torque to each wheel to help you handle whatever type of road condition you may find yourself on.

ECO DRIVING MODE

The available ECO Mode button eases the gas pedal output and adjusts the air conditioning for enhanced fuel efficiency. Now you can go the distance for a long, long time.

Toyota
Safety
Sense

PEACE OF MIND FOR THE JOURNEY AHEAD

STANDARD TOYOTA SAFETY SENSE™ (TSS-P).⁶

No matter what roads you travel, Toyota Safety Sense™ is always there to keep you as safe as possible. It's an advanced suite of innovative safety features that come standard on the 2020 Sienna, and they are designed to help protect drivers, passengers, pedestrians, and people in other vehicles from harm.

PRE-COLLISION SYSTEM WITH PEDESTRIAN⁷

Provides collision avoidance or collision mitigation support in speed ranges where frontal collisions are likely to occur. In certain conditions, the Pre-Collision System with Pedestrian Detection may also help to detect pedestrians and help prevent or mitigate a collision.

AUTOMATIC HIGH BEAMS⁸

Designed to detect oncoming and preceding vehicles' lights and depending upon the circumstances, Automatic High Beams can switch between high and low beams for you.

DYNAMIC RADAR CRUISE CONTROL⁹

Using forward sensing radar technology, the system can automatically adjust vehicle speed to help maintain a preset following distance between you and the vehicle directly in front of you.

LANE DEPARTURE ALERT WITH STEERING ASSIST¹⁰

Alerts you if you start to drift out of your lane when visible lane markings are detected. The Steering Assist function may also provide small corrective steering inputs.

SIENNA SELECT FEATURES

FWD
7 PASSENGER

FWD LE
8 PASSENGER

Adds to or replaces features offered on FWD 7 Passenger

DRIVETRAIN

- 3.5 Litre, V6 Engine with 296 hp @ 6600 rpm & 263 lb.ft. of Torque @ 4700 rpm, Front Wheel Drive
- Dual Variable Valve Timing with intelligence, Direct-Injection D-4S Fuel Injection, Acoustic Control Induction System, Aluminum Alloy Block
- 8-Speed, Automatic, Lock-Up Torque Converter, Transmission Cooler
- Combined City & Highway Rating 11 L/100km 26 mpg¹¹

ENTERTAINMENT & CONNECTIVITY

- Audio: 7" Touch Screen, 4-Speakers, Scout® GPS Link¹² compatibility (3 year subscription), Works with Apple CarPlay™
- Gracenote® Album Cover Art
- 5 USB Input Ports, Auxiliary Input Jack, Bluetooth® Hands-Free Phone Connectivity & Wireless Audio Streaming, Phone Book Access
- 3.5" LCD Display, Backup Camera
- ECO Indicator

INTERIOR

- Tri-Zone Independent Automatic Climate Control, Rear Seat Heater Ducts & Dust, Pollen, Deodorizing Air Filter
- Front Captain Seats with Recline, Fore/Aft Adjustments
- Removable 2nd Row Captain Seats with Tip-Up & Long Slide Adjustments
- Split & Stow™ 3rd Row, One-Touch Folding 60/40 Split Rear Bench Seat with Fold-Down Seat Back, Recline Adjustments

EXTERIOR

- Blind Spot Convex Mirrors
- Power-Adjustable, Colour-Keyed Heated Mirrors
- Roof Rails, Rear Spoiler, Front & Rear Splash Guards
- Projector Style Halogen Headlamps, Automatic Headlamp System
- 17" Aluminum 5-Spoke Alloy Wheels & P235/60R17 All-Season Tires

SAFETY

- Toyota Safety Sense™ (TSS-P)
- Star Safety System™
- 8 Airbags
- Driver & Front Passenger Whiplash-Injury-Lessening Seats

DRIVETRAIN

- Combined City & Highway Rating 11 L/100km 26 mpg¹¹

ENTERTAINMENT & CONNECTIVITY

- Audio Plus: 8" Touch Screen, 6-Speakers, Safety Connect® includes - Automatic Collision Notification, Stolen Vehicle Locator, Emergency Assistance Button, Enhanced Roadside Assistance (3 year subscription), Scout® GPS Link¹² compatibility (3 year subscription), Works with Apple CarPlay™
- Electrochromic Rear View Mirror with Digital Compass

INTERIOR

- Easy Clean Fabric Seat Material
- Front Heated Captain Seats
- Power 8-Way Adjustable Driver's Seat
- Removable 2nd Row, 40/20/40 Seat with Stowable Centre Passenger Seat, Tip-Up & Long Slide Adjustments
- Silver Painted Inner Door Handles
- Sunshade on Rear Door Glass
- Garage Door Opener
- Scuff Plates

EXTERIOR

- Colour-Keyed Grille with Chrome Grille Surround
- Colour-Keyed Door Handles
- Rear Bumper Protector
- Towing Package: 3500 lb.

WARRANTY

No deductibles. No transfer fees.

COMPREHENSIVE COVERAGE 3 YEARS OR 60,000 KM

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS 5 YEARS OR 100,000 KM

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION 5 YEARS/UNLIMITED DISTANCE

This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCLAIMERS

(1) Services are dependent upon connection to a compatible wireless network. The current compatible 3G GSM/GPRS cellular network is provided by a third-party wireless service provider. Toyota is not responsible for cellular network discontinuance. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. Driving while distracted can result in loss of vehicle control. All set-up of Toyota Connected Services and App Suite must be completed when the vehicle is not in operation. Some features may be locked out while the vehicle is in gear. To reduce risk of accident while driving, exercise care when using the systems (even with the voice commands) and obey all local laws concerning use of the systems while driving (as some laws prohibit the use of electronic devices while operating a vehicle). Text and email functions only available on supported phones. (2) Contact with Safety Connect® response centre is dependent upon the telematics device being in operative condition, cellular connectivity availability, and navigation map data and GPS satellite signal reception, which can limit the ability to reach the response centre or receive emergency support. Once the trial subscription expires, enrollment and Telematics Subscription Service Agreement required. A variety of subscription terms are available; charges vary by subscription term selected. (3) Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability & accuracy of the information provided by Destination Assist Connect are dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. (4) Apple CarPlay, iPhone and Siri are trademarks of Apple Inc. (5) Cold weather and other environmental factors may limit system. Operates at low speed or when parked. Do not rely exclusively on the system as it is not intended to replace safe attentive operation of the vehicle. You should also look around outside your vehicle, over your shoulder and use your mirrors to confirm clearance. (6) Drivers should always be responsible for their own safe driving. Please always pay attention to your surroundings and drive safely. Depending on the conditions of roads, vehicles, weather, etc., the TSS systems may not work as intended. (7) The TSS Pre-Collision System is designed to help avoid or reduce the impact speed and damage in certain frontal collisions only. The Pedestrian Detection system is designed to detect a pedestrian ahead of the vehicle, determine if impact is imminent and help reduce impact speed. It is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrians, driver input and weather, light and road conditions. (8) Automatic High Beam system operates at speeds above approximately 34 km/h. Factors such as a dirty windshield, variable weather, lighting conditions and hilly terrain will limit effectiveness, requiring the driver to manually turn it off. (9) Dynamic Radar Cruise Control is designed to assist the driver and is not a collision-avoidance system or a substitute for safe and attentive driving practices. System effectiveness depends on many factors such as weather, traffic and road conditions. (10) Lane Departure Alert with Steering Assist is designed to read lane markers under certain conditions and provide visual and audible alerts and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. (11) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors. (12) Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. Availability and accuracy of the information provided by Scout® GPS Link is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.
